

PEOPLE *for* CARE & LEARNING

INSPIRING HOPE...EMPOWERING POTENTIAL

- ◆ People for Care and Learning (PCL) is a non-profit 501 © (3) organization in the Church of God.
- ◆ 100% of all gifts are used as designated; nothing is deducted for overhead, operating, or travel expenses. Undesignated gifts are used where needed most.
- ◆ **Contributions** are deductible per section 170 of the IRS Code.

imagine drinking this...

1.4 million children die each year from
lack of safe drinking water

www.peopleforcare.org

Just **\$10** provides a family clean drinking water for at least **one year** through a special water filter that ***People for Care and Learning*** can purchase in Southeast Asia.

This not only provides safe drinking water but also supports the economy of this very poor region of the world.

We would like to see churches and or women's ministries promote this project. **PCL's** goal is to provide clean drinking water to at least **500 families** this year.

You can make a difference!

Please join me in saying that I will, simply by just sending in your offering designated for **PCL Water filter**:
